Welcome sponsors and exhibitors

We invite you to join us as a sponsor/exhibitor at the 17th Biennial Conference of the United States Agricultural Information Network (USAIN). Your participation supports the agricultural and life sciences information community and exposes your business and services to new customers, as well as highlights new and expanded features for existing customers.

Who is Attending?

The USAIN conference draws over 100 agricultural and life science information specialists from national and international higher education institutions, government agencies, non-profit organizations and research institutions.

Sponsor/Exhibitor Benefits

As a registered sponsor and/or exhibitor, you are invited to attend all conference events. Your organization name and logo will appear in the conference program, on the conference website and in the announcements for the conference.

Vendor exhibits will be located in the areas where morning and afternoon breaks are served.

There will be scheduled no-conflict exhibit times to allow conference attendees to network with exhibitors.

Sponsors/exhibitors contributing at the level of $1,000 or more are eligible for a 15-minute presentation slot in the no-conflict Vendor Track session. This year we are also offering shorter presentation opportunities for exhibitors in the same vendor track session.
